

Anville Instruments Ltd

Steriliser Validation Kit

NATO stock number 7025-99-836-4444

Anville part number 'SVK01'

Anville Series 825 thermal validation interface.

NATO stock number 6625-99-213-1565

1x Anville Series 825 data logger

Anville Part Number 'S825NATO'

1x Anville Series 825 power supply

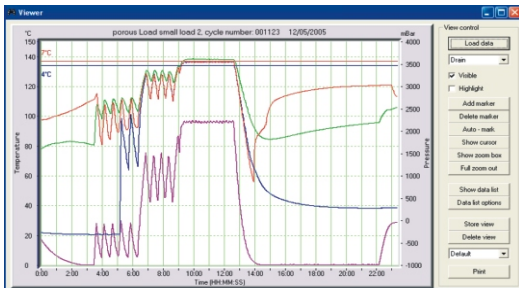

Anville Part Number '825PSUNATO'

1x Anville Series 825 marker switch.

Anville Part Number '825SWITCH'

1x Anville Series 825 USB lead

Anville Part Number 'CABUSB3M'

Anville Eazival software.

NATO stock number 7030-99-799-8800

The software comprises of the following item

1x Anville Eazival software [on cd].

Anville Part Number 'CSBCDEVSEN'

Anville Series 275 digital reference thermometer.

NATO stock number 6685-99-616-8120

1x Anville Series 275 thermometer.

Anville Part Number 'TCB275'

1x Anville Series 275 PT100 probe

Anville Part Number '20A41106200F3000MDIN'

1x Anville Series 275 UKAS calibration

Anville Part Number 'CAL275NATO'

Anville Series 300 dry-block temperature bath.

NATO stock number 6640-99-135-1827

1x Anville Series 300 dry-block temperature bath with UK and German power leads.

Anville Part Number 'TCB300'

Anville pressure transducer.

NATO stock number 6695-99-242-9353

1x Anville pressure transducer.

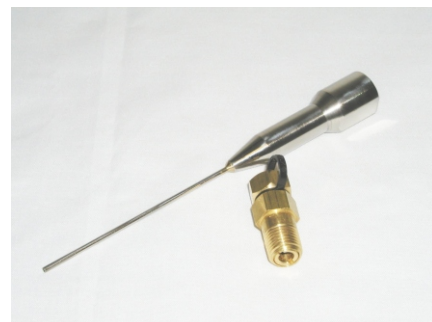

Anville Part Number 'KXDHTNATO'

Anville pressure calibrator

**1x Anville pressure calibrator with UKAS certificate
Anville Part Number 'PDTG3089'**

**Anville pressure transducer autoclave entry fitting.
NATO stock number 4940-99-856-4248**

**1x Anville pressure transducer hypodermic adapter.
Anville Part Number 'FITHYPO14BSP'
1x Anville pressure transducer test plug.
Anville Part Number 'FITTWINLOCK'**

Anville thermocouple set.

NATO stock number 6695-99-479-6323

**1x Anville thermocouple set with 16x thermocouples.
Anville Part Number 'TCSET16NATO'**

Anville thermocouple autoclave entry fitting.

NATO stock number 6695-99-135-2259

1x Anville thermocouple entry fitting.

Anville Part Number 'AWT264'

1x Anville thermocouple entry washer set

Anville Part Number 'AWT617'

Anville validation kit storage case.

NATO stock number 6625-99-920-0119

1x Anville carry case.

Anville Part Number 'CARSVK01'
